98.5mm x 98.5mm

Finish Size / Dieline
95mm x 95mm

Maximum Art Area for Text/Logo Placement
85mm x 85mm

PLEASE NOTE

· The coaster stock can move during the printing process. The coaster board absorbs ink and can stretch therefore the image position can very slightly in the manufacturing process.

· For best results avoid fine borders in the designing stages.

· Use font sizes greater than 5pts.

· Colours appear differet than they do on the screen once printed.
